

A bowl of orange-colored soup, possibly tomato or carrot, garnished with finely chopped green onions. The bowl is white and sits on a light-colored wooden surface. In the background, a loaf of bread and some fresh green herbs are visible.

SOUPER SUNDAY

Fundraiser

Sunday, November 17th
following church service

A large variety of soups, including vegetarian, will be available to enjoy during the coffee hour and for purchase to take home.

We are raising funds to support those participating in the upcoming youth trip to Cuba and for 2020 Camp/Synod School scholarships. For years this church has generously supported those youth attending Camp Wyoming and families participating in Synod School. We are pleased to assist those going to Cuba. Through your generosity we are able to continue to offer scholarships and support.

The Christian Formation Committee would like to thank the chefs and the congregation for their continued support.
